Town of Fine  
State Highway 3  
Star Lake, NY. 13690

Attn: Connie Snider  
Town Supervisor

Dear Connie,

As a result of recent surveying done on our property, it has come to our attention that waterfront to the east of our lines, approximately below parcel 223.036-1-13 through parcel 223.036-1-16, seems to be owned by the Town of Fine, per conversation with Real Properties in Canton, NY.

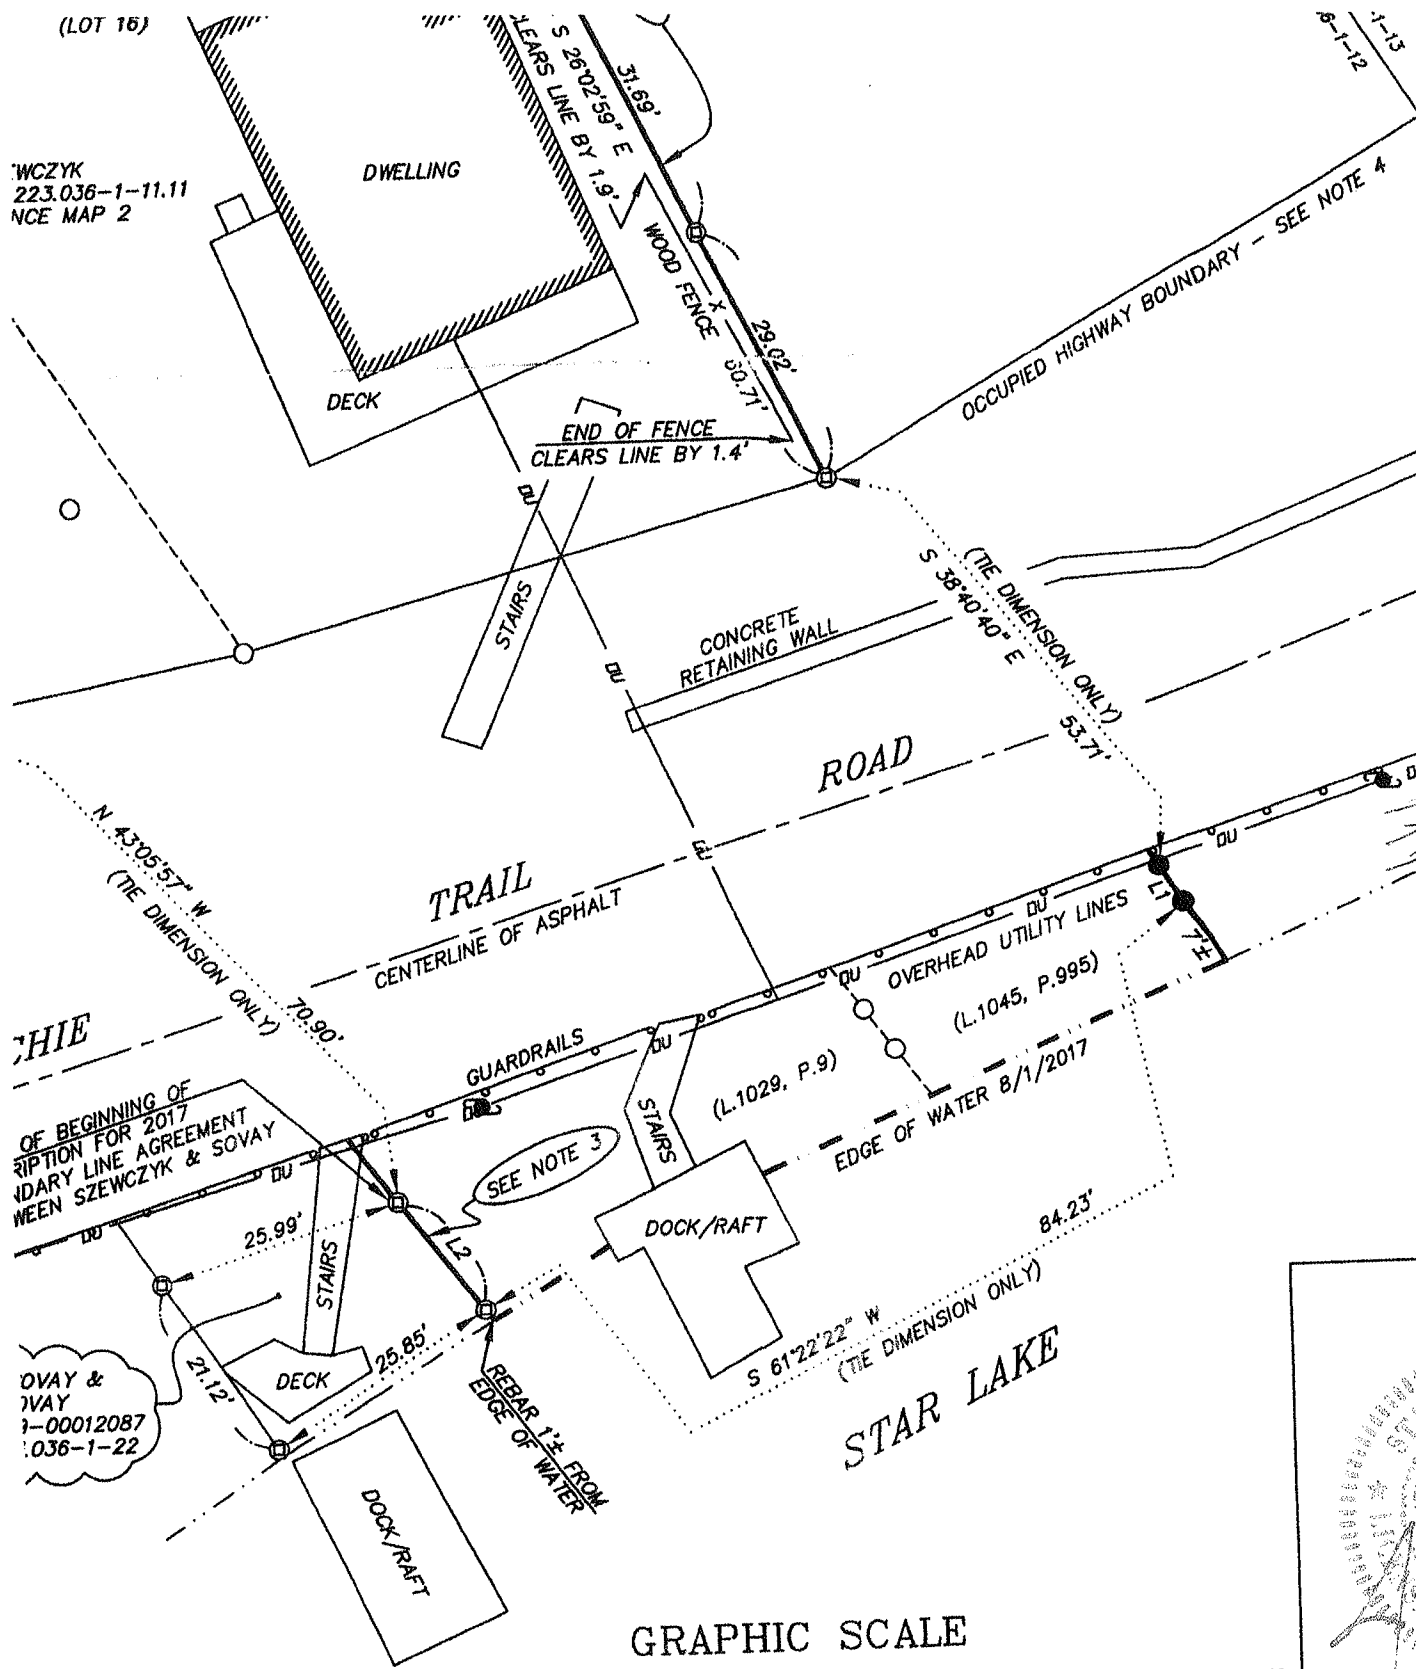

Therefore, family members would like to inquire about the possibility of purchasing 40 - 50 feet of waterfront, or whatever is available, for their own personal use, and to enhance the quality of Star Lake.

Considering the financial needs of the town, county, and school, it would also seem beneficial to the Town of Fine to sell some waterfront for town revenue through taxes.

Thank you for your anticipated cooperation in this matter.

Sincerely,

  
Daniel and Roberta Szewczyk
