Re: Town of Fine
Contract 2 - Water Meter Purchase Contract
Clifton-Fine Star Lake Water District Improvements

Subj: Recommendation of Award

File: 1527.001.005

Dear Mrs. Snider and Town Board Members:

Barton & Loguidice, D.P.C. (B&L) has reviewed the bids for the Clifton-Fine Star Lake Water District Improvements Project received and opened on April 17, 2018. A certified tabulation of bids is attached.

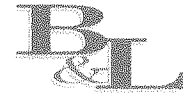

The following is a summary of the bids received for Contract 2 – Meter Purchase Contract of the Clifton-Fine Star Lake Water District Improvements Project.

Bidder	Base Bid
Core and Main (Sensus)	\$118,290.62
TI Sales (Neptune)	\$131,597.66

As shown above, Core and Main has submitted the low bid. Upon review of the bid from Core and Main, it was found to be complete. We have contacted Core and Main and they are comfortable with their bid and are willing to enter into a Contract with the Town of Fine for the supply of water meters. Core and Main will provide Sensus IPerl water meter, which has been pre-approved by the Town of Fine as an acceptable meter.

Based on the above, we recommend that the Town Board award Contract 2 of the Clifton-Fine Star Lake Water District Improvements Project to Core and Main for purchase of water meters. The Town Board should pass a resolution at its next Board meeting awarding this purchase contract to Core and Main.

Mrs. Connie Snider, Supervisor
Town of Fine
